

BASIC BUILDING BLOCKS®
DYNAMIC HOUSING

BB 20 Model

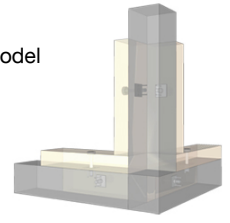

- Eco friendly
- Versatile

- All season
- Resizable

- Spacious
- Affordable

BB 40 Model

- Fast assembling
- Easy to relocate

BBB prefabricated houses are an excellent solution for tourism, a quick office or an easy house. Our modular constructions combine modern technology and traditional eco-friendly materials. The contemporary design of BBB buildings fits every landscape. Spacious and comfortable.

Any size any shape. From a house to a township.
